Application for centralised electricity

Use this form to ask Origin to set up your centralised electricity at a property in the Australian Capital Territory, New South Wales, Queensland, South Australia or Victoria.

Your building has a centralised electricity system for which Origin is the retailer. This means that electricity is bought in bulk and provided to you at rates discounted from our standard prices. Plus, each property has its own electricity meter, so you're only billed for the electricity you use.

To arrange your electricity supply, please complete the online form at **originenergy.com.au/ceopenonline** or fill in the form below and email or fax it to us. For more information about centralised electricity, call us on **1800 684 993**.

Some apartments may also have centralised hot water systems or gas cooktops. Check with your owners corporation or building representative if you need to arrange connection for these services. If you're not sure, just give us a call on **1800 684 993** – we're happy to help.
