7 Bar Heated Towel Rail (Round)

Care instructions

- All heated towel rails must be installed by a licensed electrician.

- You must not attempt to repair a real or perceived defect to your heated towel rail yourself, unless you are a licensed electrician.

- Any 12v Towel Rail require a transformer to heat. Do not install without transformer otherwise Towel Rail will malfunction.

- To clean use a microfibre cloth. No cleaning chemicals including but not limited to Windex, stainless steel cleaners, spray and wipes, gumption, vinegar mixtures or any abrasive products.
