Welcome to EV Charging!

To ensure you're fully charged and all set for your next journey, we have installed an EV Charger in your parking bay ready for use.

Secure and accessible only by RFID, any EV charging usage will be billed onto your Origin account.

To request your RFID simply provide us you details by scanning the QR code below.

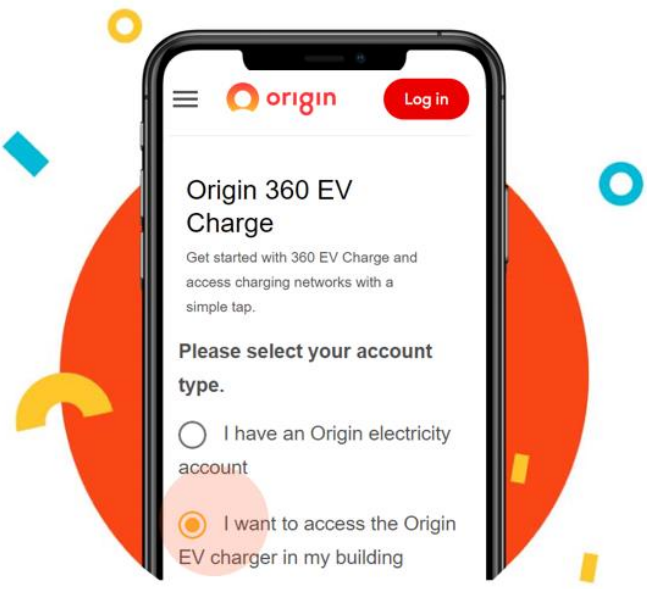

We'll send through your RFID and get you on your way

Scan to obtain for your EV Charger RFID here

Start charging in just a few easy steps!

1. Complete the online form
